

January-May 2010

Dear Participant,

The **American Red Cross Emergency Response Training** is a 50-hour course. This course includes certification in Emergency Response (advanced first aid), CPR/AED for the Professional Rescuer, Bloodborne Pathogens and Administering Emergency Oxygen. This course will also include a presentation in Compression only CPR and will be held at **Bethel Horizons the week of May 23-28, 2010.**

Registration will start at 11:30 a.m. on Sunday, May 23rd. (You will be on your own for lunch on Sunday--there are numerous fast food restaurants in Dodgeville, which is 7 miles from camp).

The course will run from 12:00 noon-9:00 p.m. on Sunday and from 8:00 a.m.-5:00 p.m. Monday through Friday. The course is completed on Friday at 5:00 p.m. There will be a 30-minute lunch break each day. (If you have attended a previous life-saving training class, please bring your books and skills card).

You will be staying in the Prairie Center and will need to bring either a sleeping bag or bedding (mix of twin size beds/full-sized bunk futon beds), blanket, pillows, towels, and personal items; wear comfortable clothing for the training(s). With miles of hiking trails you may also want to bring appropriate walking gear for your free time. **In addition, if the weather is nice, we will be going to Governor Dodge State Park for shallow water rescue/skills training. Please bring either a swimsuit or clothes that can get wet.**

If you have further questions, please call myself or my assistant, Angie.

Sincerely,

Pastor Duane Hanson
